01 INTRODUCTION

ASYAD FELD, established in 2024, as company Building & Construction Materials Trading And Solar Energy Systems & Components Trading And Project Management Services During this period we have

undertaken a vast number of ROOF CLAY TILES jobs and maintenance works. And in a short span of time we have grown into a trusted and reliable company in UAE having a work force in SHARJAH .Our Company was started with the sole aim of doing prompt work at very competitive rates. Having gained the reputation for qualitative work especially , now we have been retained as regular distributors of roof tiles for many construction companies.

We are very proud to announce that we are approved applicator for the following reputed companies

1. Verdanega FACTORY IN ITALY
2. BORJA FACTORY IN SPAIN
3. La EScandella Factory IN SPAIN .
4. UMEINO MONTEIRO FACTORY IN PORTUGAL .
5. Cejatel factory in Brazil .
6. KEBE factory in Greece .

There are more suppliers, partners of success, who support us in our journey. There is no time to mention them, but we appreciate them because they are like knights of the shadow for us.

Further, we wish to stress that all our works were carried with genuine Products executed by efficient technicians. Our customer's satisfaction is Sole motto in all our works

Features

- Genuine products are used.
- Works done by experienced people.
- Good reputation in the market.
- Competitive rates.
- Flexible terms of payments.
- Works carried out to customers' satisfaction.

Previous work
